

Bring the exhibit to your location

The American Academy of Orthopaedic Surgeons has embarked upon an effort to preserve the stories of our members and our specialty during the Second World War. Our program Legacy of Heroes is a celebration honoring the heroism, dedication and unremembered sacrifices of the 600,000 medical men and women who served in WWII.

To bring the Legacy of Heroes exhibit to your State, please fill out the following and fax back to Sandra Gordon, 847/823-7268.
